

Our worship services...

First Lutheran Holy Communion worship is at 10 am every week. You can hear us live each week on iHeart Radio KMNS 880 am. All are welcome to join members for worship in our beautiful stained glass surrounded sanctuary and stay for fellowship in our Fireside Room.

During the Advent season, usually late November and December, the congregation holds Evening Prayer on Wednesdays at 7 pm in the sanctuary. During the Lenten season, during the spring, prior to Easter, the congregation gathers on Wednesday evenings at 7 pm in the sanctuary for topical worship.

Festival Holy Communion Worship are held on Christmas and during Holy Week each year. During these times of the year, check our header on the home page for worship dates and times.
